SPONSORSHIP KIT
NatureTrack Film Festival is a three-day celebration of nature and outdoor adventure through film. Held in beautiful Los Olivos, CA in the heart of Santa Barbara wine country, the festival showcases dozens of national and international filmmakers’ works to the thrill and delight of thousands of attendees.

Located at the gateway to the Los Padres National Forest, Los Olivos offers visitors and filmmakers charming small-town experiences along with award-winning wineries, unique shops and galleries, and world-class dining – all within walking distance! Los Olivos is the perfect location to mix and mingle while enjoying phenomenal outdoor-inspired films.

CONNECTING KIDS WITH NATURE

NatureTrack Film Festival raises much-needed funds for outdoor field trips that transport students from indoor classrooms to “natural” classrooms, where learning comes alive as all their senses are engaged. More than 4,000 times a year, NatureTrack gives K-12 students from a wide variety of socio-economic backgrounds and circumstances the opportunity to discover the wonders of nature. Even though all NatureTrack field trip locations are right in students’ “backyard,” many would never have a chance to experience these amazing places without NatureTrack. This community need is what gave rise to NatureTrack and the NatureTrack Film Festival – sharing nature through outdoor field trips and incredible films.

NATURE IS AWESOME!

Celebrate with us by becoming a sponsor today!
We invite you to become a Sponsor and show that your company has joined the movement in shaping a healthy and sustainable future.

When you sponsor the NatureTrack Film Festival, you will receive great recognition for your brand.

• Establish your company’s commitment to the community through a successful, highly regarded (and growing!) event

• Enhance your company’s branding with logo placement on Festival posters, flyers, ads, and online

• Enjoy an exhibit space for face-to-face marketing with a large group of enthusiastic outdoor consumers

• Communicate an image-building message to a receptive audience
As a Sponsor, your brand will have an impact: our films resonate with festival-goers as they explore nature in search of their own powerful and inspiring stories... and when they emerge from the trail, they'll remember the businesses that helped set them on their journey.
